

# The High Street Dental Practice NEWSLETTER

We hope you  
enjoy reading our  
newsletter.

As you wander down the corridor to the waiting room on your left, we have a blackboard – every month as well as a quote we put a new puzzle on it for you to solve! Are you up to the challenge?

Our Dental Nurse  
Corsica wants to  
know... Can you solve  
the puzzle?

**Huge deficit almost  
the whole company  
faces (8)**

## Team News

We celebrated VE Day  
with bunting and  
gorgeous red flowers.

Denise and Sadie looked  
stunning in red too!

The second week of May is  
**Root Canal Awareness  
Week.**

Root Canal procedures have a  
bad reputation and are often  
misunderstood, but they are  
critical in saving natural teeth  
and preventing additional  
dental problems.

We are also blessed to have  
Aindrias on the team who has  
an MSc in Endodontics -

A 3-year course in advanced  
Endodontics.

He is our gentle giant!

## Sorry for the mess!

We are upgrading our reception area! We are not expecting this to affect any clinical work.

We sincerely apologise for the mess and inconvenience,

We understand that this is disruptive, and we are doing everything we can to minimize the disruption.

Thank you for your patience!

*Sorry*

## Cilla and Corsica are 10!

We celebrated 10 years with Cilla and Corsica with our favourite... cake!

We are so lucky to have such wonderful nurses and would be lost without them.

### Maggie is a Bowelbabe!

Maggie is taking part in the Jog 31 Miles Challenge this May to help raise money for the Bowelbabe Fund for Cancer Research UK a cause very close to her after her own journey with bowel cancer.

Fuelled by the spirit of rebellious hope - of choosing to remain hopeful in the face of overwhelming odds - the Bowelbabe Fund for Cancer Research UK was set up to continue the incredible legacy of Dame Deborah James. Raising money to fund cutting edge research into early detection and personalised medicine, raise awareness of signs and symptoms and tackle the stigmas around cancer with unflinching honesty so we can give more people affected by cancer more time with the people they love.
